# TABLES OF COMPARABLE SECTIONS: CONSOLIDATED STATUTES TO GENERAL STATUTES

The numbers preceding the dots refer to sections in the Consolidated Statutes and in Michie's Codes; the numbers following the dots give the corresponding section in the General Statutes of North Carolina. The letters L. M. following the dots indicate that the section is not codified but has been made a local modification citation under the number following the above letters. This table reflects sections of the General Statutes as originally enacted. See also Table of Deleted Sections, set out in this volume.

# TABLES OF DELETED SECTIONS

The sections in this table appeared in the Consolidated Statutes and in the Michie Codes. For sections transferred into sections of the General Statutes, see Table of Comparable Sections: Consolidated Statutes to General Statutes, set out in this volume.

Sections in this table preceded by an asterisk represent the following types of laws which were not codified in the General Statutes of North Carolina: (1) local in application affecting less than ten counties; (2) excepting pending litigation; (3) construction clauses; (4) repealing clauses; (5) partial invalidity clauses. The omission of such statutes does not for that reason repeal them. See General Statutes, sections 164-1 through 164-8.

Where a section was repealed by reference to its corresponding number in the General Statutes such number appears in parentheses following the repealed section.

The following abbreviations have been used in this table: Con. St. = Construction Statute; Loc. = Local; Obs. = Obsolete; P. Inv. = Partial Invalidity; P. Lit. = Pending Litigation; Rep. = Repealed; Rpl. St. = Repealing Statute; Sup. = Superseded; Unconst. = Unconstitutional.
